

Call for paper:

Dear Academicians,

We are pleased to announce that registration for the 9th ICOWOBASS-2023 conference is officially open.

The 9th ICOWOBAS-2023, International Conference and Workshop on Basic and Applied Sciences, is a biannual conference organized by four worldwide universities, Tishk International University(Iraq), Salahaddin University Erbil (Iraq), Universitas Teknologi Malaysia (Malaysia), Universitas Airlangga (Indonesia). After 15 continuous years of biannual organized ICOWOBAS organization, we are proud to announce that we, Tishk International University, will be the host of 9th ICOWOBAS-2023.

The 9th ICOWOBAS-2023 conference will be held on 08-10 May 2023 face-to-face hosted by Tishk International University in the beautiful and historical city of Erbil, Kurdistan Region of Iraq.

The ICOWOBAS program will include a number of workshops, and paper presentations, along with prominent keynote speakers.

Herewith, prospective authors are kindly encouraged to contribute to and help shape the conference through submissions of their research abstracts, and papers.

The theme of the 9th ICOWOBAS-2023 is “To Present and Exchange Innovative Viable Ideas Relating to the Basic and Applied Sciences” and will address scopes as shown below but not limited to:

- Pure and Applied Mathematics, and Statistics
- Biology and Biomedical Sciences
- Pure and Applied Physics
- Chemistry and Chemical Engineering
- Computer and Data Science
- Environmental Sciences

For the aim, author guidelines, Important Dates and others, please refer to the conference website <https://conferences.tiu.edu.iq/icowobas>.

Publication:

The 9th ICOWOBAS-2023 has cooperation with *five* well recognized publication venues. The selected papers in the conference will be considered for possible publication in

Journals	Note
Jurnal Teknologi	Jurnal Teknologi is indexed in ESCI, Scopus and DOAJ, and has DOI number.
Malaysian Journal of Fundamental and Applied Sciences (MJFAS)	MJFAS is indexed in ESCI, Scopus and DOAJ, and has DOI number.

The poster features a blue background with a subtle geometric pattern. At the top center, there is a white rounded rectangle containing the logos of TIU, Salahaddin University, and other institutions. To the left, the text '9th ICOWOBAS' is written in a large, bold, white font, with '9th' in a smaller font above 'ICOWOBAS'. Below this, it says '9th International Conference and Workshop on Basic and Applied Sciences'. To the right, the dates 'May 08-10, 2023' are displayed in a large, bold, white font. Below the dates, a quote reads: '“To Present and Exchange Innovative Viable Ideas Relating to the Basic and Applied Sciences”'. At the bottom left, under the heading 'Scope', there is a list of topics: Pure and Applied Mathematics, and Statistics; Biology and Biomedical Sciences; Pure and Applied Physics; Chemistry; Computer and Data Science; and Environmental Sciences. The bottom of the poster is decorated with white curved lines.
